

Consent Form for the Climate Awareness and Risk Evaluation Dashboard Study

Name of department: Computer and Information Sciences

Title of the study: An Interactive Machine Learning and Decision Support Dashboard for Flood Risk Communication

Please check each item to indicate agreement.

- I confirm that I have read and understood the Participant Information Sheet for the above project and the researcher has answered any queries to my satisfaction.
- I confirm that I have read and understood the [Privacy Notice for Participants in Research Projects](#) and understand how my personal information will be used and what will happen to it (i.e. how it will be stored and for how long).
- I understand that my participation is voluntary and that I am free to withdraw from the project at any time, up to the point of completion, without having to give a reason and without any consequences.
- I understand that anonymised data (i.e. data that do not identify me personally) cannot be withdrawn once they have been included in the study.
- I understand that any information recorded in the research will remain confidential and no information that identifies me will be made publicly available.
- I understand that the session will not be audio or video recorded. The researcher will take written or digital notes only and no personally identifiable information will be recorded.
- I consent to being a participant in the Climate Awareness and Risk Evaluation Dashboard study.
